

WEDDING / SHOWER FAVOR BOOKMARKS

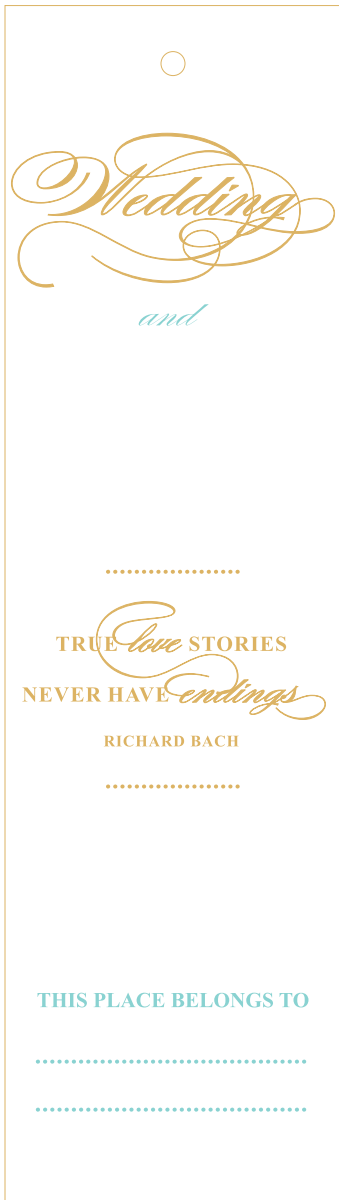

This PDF provides space to put in your own names and wedding date. Simply type in both your names and wedding date where indicated in the design below. If you'd like to keep a copy of your changes, select "Save As" in the File menu. *Note: Text can only be replaced where indicated and due to the limited space only a certain amount of characters will fit within the area.*

Print the page containing desired template onto an 8.5x11" piece of **card stock** with a color printer using the highest quality settings to ensure that the delicate text is crisp and clear. Trim out all the shapes using scissors or a sharp blade and making sure to trim off all the black edges and punch hole with a 1/8" craft punch.

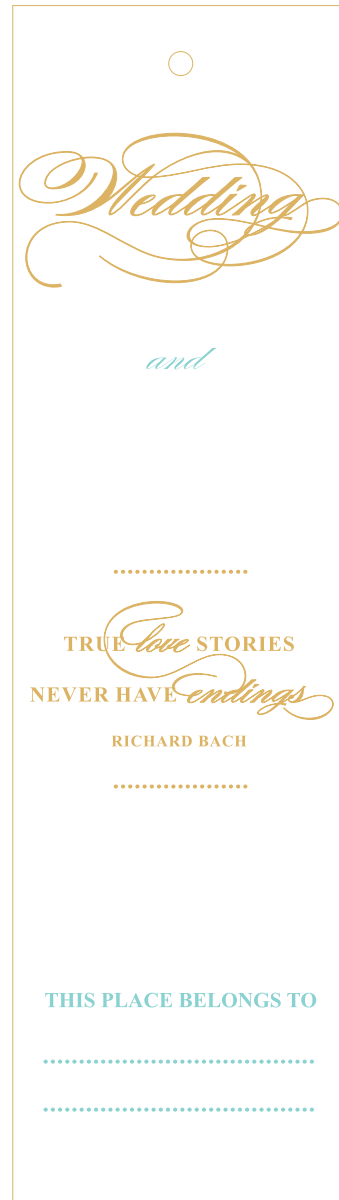

*Add a little more detail to the bookmark by adding an eyelet to the hole then thread coordinating ribbon through.
